Introduction

City clerks play an important role in the election process. The city clerk's primary responsibilities include overseeing candidate filing, forwarding information about candidates and ballot measures to the county clerk's office, and assisting and answering questions from citizens and county election staff.

A more detailed list of the city clerk's responsibilities is provided below.

- Making the Declaration and Petition of Candidacy, and Declaration of Intent for write-in candidates, available to anyone upon request.
- Publishing a legal notice between 7 and 14 days before the candidate filing deadline informing potential candidates about the filing deadline, the positions up for election and the required qualifications to run for office.
- Making sure that candidates understand and meet the qualifications to run for office.
- Verifying the information provided by candidates in their filing forms.
- Forwarding the Declarations of Candidacy & Declarations of Intent to the county clerk as soon as possible.
- Providing withdrawal forms to candidates, accepting the completed forms from candidates, and transmitting these forms to the county elections office.
- Transmitting to the county elections office ballot language for any questions to be included on the ballot, such as recall, initiative/referendum, advisory questions, bonds or levies, etc.
- Ensuring the official vote tally (broken down by precinct, for cities with multiple precincts) is formally accepted by motion of the council and included in the minutes of the council meeting following the canvass of the ballots by the county commissioners.

The county clerk is responsible for coordinating and conducting the election, including:

- Printing the ballots,
- Overseeing absentee voting,
- Selecting polling places and election staff,
- Running polling places on Election Day, and
- Counting ballots.

The county commissioners handle canvassing the votes and establishing election precincts.

It is important to note that the counties receive \$4.1 million annually in state revenue to pay the costs of conducting local elections. Counties are prohibited from charging cities and other local governments for any of the costs associated with local elections, with the following exceptions.

- Cities that have adopted runoff elections for mayor and/or council will pay the full cost for the county to run the election if a runoff is required.
- Cities are required to pay ballot printing costs for any ballot measure in excess of 250 words.
- Where the city and county reach a voluntary agreement for payment of expenses, such as a city that wants to have in-person absentee voting at city hall and is willing to pay the cost.

Close cooperation and coordination between the city clerk and county clerk's office is required in order for the election process to run smoothly.

We strongly recommend that all city clerks read the Idaho municipal election law (Title 50, Chapter 4, beginning on the next page) in its entirety, as well as the sections of this manual on write-in candidates; qualifications, terms, manner of filling vacancies and salary for elected officials; retention periods for election records and frequently asked questions. These will provide you with the information necessary to prepare for this year's elections.

New Legislation on Elections

2016 Legislative Session

Senate Bill 1274: Sponsored by Sen. Chuck Winder of Boise. The bill changes the deadline for absentee ballot requests to be received by the county clerk, requiring such requests to be received by 5:00 p.m. on the eleventh day before the election. Before this legislation, voters could request absentee ballots be mailed to them up to 5:00 p.m. on the sixth day preceding the election. However, due to changes by the United States Postal System to various cities across the state, this would not give county clerks enough time to send the ballot and receive it in time for the election. This bill changes the previous rule so that county clerks may have enough time to send the absentee ballot and have the voter send it back in time to be counted in the election. The bill took effect July 1, 2016.

Municipal Election Law: Idaho Code Title 50, Chapter 4

50-401. SHORT TITLE.

This chapter shall be known and cited as the "Idaho Municipal Election Laws."

50-402. DEFINITIONS.

The following words and phrases when used in this chapter, have the meanings respectively given herein.

(a) General election. "General election" means the election held on the first Tuesday succeeding the first Monday in November in each odd-numbered year at which there shall be chosen all mayors and councilmen as are by law to be elected in such years.

(b) Special election. "Special election" means any election other than a general election held at any time for any purpose provided by law.

(c) Qualified elector. A "qualified elector" means any person who is at least eighteen (18) years of age, is a United States citizen and who has resided in the city at least thirty (30) days next preceding the election at which he desires to vote and who is registered within the time period provided by law. A "qualified elector" shall also mean any person who is at least eighteen (18) years of age, is a United States citizen, who is a registered voter, and who resides in an area that the city has annexed pursuant to chapter 2, title 50, Idaho Code, within thirty (30) days of a city election.

(d) Residence.

(1) "Residence" for voting purposes, shall be the principal or primary home or place of abode of a person. Principal or primary home or place of abode is that home or place in which his habitation is fixed and to which a person, whenever he is absent, has the present intention of returning after a departure or absence therefrom, regardless of the duration of absence. In determining what is a principal or primary place of abode of a person the following circumstances relating to such person may be taken into account: business pursuits, employment, income sources, residence for income or other tax pursuits, residence of parents, spouse, and children, if any, leaseholds, situs of personal and real property, and motor vehicle registration.

(2) A qualified elector shall not be considered to have gained residence in any city of this state into which he comes for temporary purposes only without the intention of making it his

home but with the intention of leaving it when he has accomplished the purpose that brought him there.

(3) A qualified elector who has left his home and gone to another area outside the city, for a temporary purpose only shall not be considered to have lost his residence.

(4) If a qualified elector moves outside the city, with the intentions of making it his permanent home, he shall be considered to have lost his residence in the city.

(e) Election official. "Election official" means the city clerk, registrar, judge of election, clerk of election, or county clerk engaged in the performance of election duties.

(f) Reference to male. All references to the male elector and male city officials include the female elector and female city officials and the masculine pronoun includes the feminine.

(g) Computation of time. Calendar days shall be used in all computations of time made under the provisions of this chapter. In computing time for any act to be done before any election, the first day shall be included and the last, or election day, shall be excluded. Saturdays, Sundays and legal holidays shall be included, but if the time for any act to be done shall fall on Saturday, Sunday or a legal holiday, such act shall be done upon the day following each Saturday, Sunday or legal holiday.

See the election calendar in Appendix A of this manual for the 2017 general election timeline.

Saturdays, Sundays and legal holidays are counted for the purpose of determining election deadlines—however, if a statutory deadline falls on a Saturday, Sunday or legal holiday, the deadline is moved to the following weekday.

The most important provisions of this section relate to the qualifications of electors. To vote in city elections, a person must be:

(1) at least 18 years of age,

(2) a U.S. citizen,

*(3) a resident of the city for at least 30 days before the election **OR** a resident of an area that the city has annexed within 30 days of the election, and*

(4) registered to vote as provided by law.

People who own property in the city, but reside outside city limits, are not allowed to vote in city elections.

Those whose primary residence is in the area of city impact are not allowed to vote in city elections.

The voter's primary residence must be in the city in order to be a qualified city elector—if the person has multiple residences, their primary residence may be determined by checking the residence that receives the Homeowner's Exemption for property tax purposes.

Registered city electors are permitted to temporarily reside outside of the city, as long as they intend to return and they do not register to vote anywhere else.

Cities are urged to refrain from annexing property in the month before a city general or special election because of the difficulty it poses for counties in preparing precinct maps and poll books. Any annexations should be completed at least one month prior to the election to ensure adequate time for the county to make the necessary changes.

50-403. SUPERVISION OF ADMINISTRATION OF ELECTION LAWS BY COUNTY CLERK.

For each city, the county clerk of the county is the chief elections officer and shall exercise general supervision of the administration of the election laws in the city for the purpose of achieving and maintaining a maximum degree of correctness, impartiality, efficiency and uniformity. The county clerk shall meet with and issue instructions to election judges and clerks prior to the opening of the polls to ensure uniformity in the application, operation and interpretation of the election laws during the election.

50-404. REGISTRATION OF ELECTORS.

All electors must register before being able to vote at any municipal election. The county clerk shall be the registrar for all city elections and shall conduct voter registration for each city pursuant to the provisions of chapter 4, title 34, Idaho Code. To be eligible to register to vote in city elections, a person shall be at least eighteen (18) years of age, a citizen of the United States and a resident of the city for at least thirty (30) days next preceding the election at which he desires to vote, or a resident of an area annexed by a city pursuant to the provisions of chapter 2, title 50, Idaho Code.

Voters may register at the polls or when voting at the absentee polling place. See Idaho Code 34-408A in the section on voter registration for more information.

50-405. GENERAL AND SPECIAL CITY ELECTIONS.

(1) A general election shall be held in each city governed by this title, for officials as in this title provided, on the Tuesday following the first Monday of November in each odd-numbered year. All such officials shall be elected and hold their respective offices for the term specified and until their successors are elected and qualified. All other city elections that may be held under authority of general law shall be known as special city elections.

(2) On and after January 1, 2011, notwithstanding any other provisions of law to the contrary, there shall be no more than two (2) elections conducted in any city in any calendar year, except as provided in this section.

(3) The dates on which elections may be conducted are:

(a) The third Tuesday in May of each year; and

(b) The Tuesday following the first Monday in November of each year.

(c) In addition to the elections specified in paragraphs (a) and (b) of this subsection (3), an emergency election may be called upon motion of the city council of a city. An emergency exists when there is a great public calamity, such as an extraordinary fire, flood, storm, epidemic or other disaster, or if it is necessary to do emergency work to prepare for a national or local defense, or it is necessary to do emergency work to safeguard life, health or property.

(4) Pursuant to section 34-1401, Idaho Code, all municipal elections shall be conducted by the county clerk of the county wherein the city lies, and elections shall be administered in accordance with the provisions of title 34, Idaho Code, except as those provisions are specifically modified by the provisions of this chapter. After an election has been ordered, all expenses associated with conducting municipal general and special elections shall be paid from the county election fund as provided by section 34-1411, Idaho Code. Expenses associated with conducting runoff elections shall be paid by the city adopting runoff elections pursuant to the provisions of section 50-612 or 50-707B, Idaho Code, or both.

(5) The secretary of state is authorized to provide such assistance as necessary, and to prescribe any needed rules or interpretations for the conduct of elections authorized under the provisions of this section.

The election dates for 2017 are: Tuesday, May 16 and Tuesday, November 7.

The election dates for 2018 are: Tuesday, May 15 and Tuesday, November 6.

*City bond, levy, liquor by the drink, advisory ballot and other elections may be held in May or November **in any year**. City initiative and referendum elections are held at the November election in odd-numbered years, along with city candidate elections.*

Two additional dates are available for city recall elections: the second Tuesday in March in any year and the last Tuesday in August in any year—Idaho Code 34-106(9).

50-406. METHOD OF NOMINATION -- CLERK TO FURNISH PRINTED FORMS.

Candidates for elective city offices shall be nominated by declaration. The declaration shall contain the name and address of the person and the office and the term for which he is being nominated. There shall be no mention relating to party or principal of the nominee. The completed declaration of candidacy shall be accompanied by: (1) a petition of candidacy signed by not less than five (5) registered qualified electors; or (2) a nonrefundable filing fee of forty dollars (\$40.00) which shall be deposited in the city treasury.

It shall be the duty of the city clerk to furnish upon application a reasonable number of regular printed forms, as herein set forth, to any person or persons applying therefor. The forms shall be of uniform size as determined by the clerk.

This certification by the signature gatherer must be notarized on each page of the petition.

It is not required that persons gathering petition signatures be qualified city electors, but they must be residents of Idaho.

The Declaration of Candidacy and each page of a candidate's petition must be notarized by a notary public duly recognized by the State of Idaho.

50-408 & 50-409. REPEALED.

50-410. TIME AND MANNER OF FILING DECLARATIONS.

(1) All declarations of candidacy for elective city offices shall be filed with the clerk of the respective city wherein the elections are to be held not earlier than 8:00 a.m. on the eleventh Monday nor later than 5:00 p.m. on the ninth Friday, immediately preceding election day. Before a candidate files a petition of candidacy with the city clerk, the petition signatures shall be verified by the county clerk in the manner described in section 34-1807, Idaho Code, except that the city clerk shall stand in place of the secretary of state. Before any declaration of candidacy and filing fee or petition of candidacy

mentioned in section 50-407, Idaho Code, can be filed, the city clerk shall ascertain that it conforms to the provisions of chapter 4, title 50, Idaho Code. The city clerk shall not accept any declarations of candidacy after 5:00 p.m. on the ninth Friday immediately preceding election day. Write-in candidates shall be governed by section 34-702A, Idaho Code, but shall file the declarations required in that section with the city clerk.

(2) A person shall not be permitted to file a declaration of candidacy for more than one (1) office in any city election.

For the 2017 general city election, candidates are required to submit their Declarations of Candidacy (with the requisite fee/petition) between Monday, August 28 at 8:00 a.m. and Friday, September 8 at 5:00 p.m. Clerks need to keep their offices open on Friday, September 8 until 5:00 p.m. to assist candidates who have waited until the last minute to submit their Declaration of Candidacy.

*It is the city clerk's responsibility to verify that **every candidate** meets the qualifications required by Idaho law **before accepting the Declaration of Candidacy**. Every candidate must be:*

At least 18 years of age,

A U.S. citizen,

The candidate's primary residence must be within the city,

The address of the candidate's voter registration must match the residence address provided on the candidate's declaration, and

The candidate must have resided in the city for at least 30 days prior to submitting their declaration.

The law requires petition signatures to be verified by the county clerk before the petition is submitted to the city clerk with the Declaration of Candidacy. The county clerk will attach to the petition a certification indicating the number of signatures of qualified city electors in the manner provided by Idaho Code 34-1807:

...the county clerk shall carefully examine said petitions and shall attach to the signature sheets a certificate to the [city clerk] substantially as follows:

State of Idaho

ss.

County of

To the honorable _____, [City Clerk] for the [City of _____]: I, _____, County Clerk of _____ County, hereby certify that ___ signatures on this petition are those of qualified electors.

Signed _____
County Clerk or Deputy.
(Seal of office)

50-411. NOTICE OF CANDIDATE FILING DEADLINE.

Not more than fourteen (14) nor less than seven (7) days preceding the candidate filing deadline for an election, the city clerk shall cause to be published in the official newspaper a notice of the forthcoming candidate filing deadline. The notice shall state the name of the city, the date of the election, the offices up for election, that declarations of candidacy are available from the city clerk, and the deadline for filing such declarations with the city clerk.

For the 2017 general city election, the notice of candidate filing deadline must be published once as a legal notice in the official city newspaper between Friday, August 25 and Friday, September 1.

The notice includes: the name of the city, the date of the election, the offices up for election, that candidate filing forms are available from the city clerk and the deadline for candidates to file their Declaration of Candidacy with the city clerk.

In addition to the legal notice, clerks are strongly encouraged to take advantage of media articles, posted notices and other methods to get the word out about the upcoming election.

See Appendix B for an example notice of candidate filing deadline.

50-412. CANVASSING VOTES -- DETERMINING RESULTS OF ELECTION.

The county commissioners, within ten (10) days following any election, shall meet for the purpose of canvassing the results of the election. Upon receipt of tabulation of votes prepared by the election judges and clerks, and the canvass as herein provided, the results of both shall be entered in the minutes of city council proceedings. Results of election shall be determined as follows: in the case of a single office to be filled, the candidate with the highest number of votes shall be declared elected; in the case where more than one (1) office is to be filled, that number of candidates receiving the highest number of votes, equal to the number of offices to be filled, shall be declared elected.

The county commissioners are responsible for canvassing the results of all city elections within 10 days after the election.

The votes for each candidate and issue on the ballot, by precinct, must be formally accepted by motion of the council and included in the council meeting minutes after the votes have been canvassed by the county commissioners.

When a single position is up for election, such as the mayor's office or a designated council seat, the candidate with the most votes is elected, even if they received less than a majority of the votes cast. When candidates are running for multiple positions, such as two four-year council positions, the top vote-getters are elected to fill the available positions and candidates are not required to obtain a majority of the votes cast.

*The only case in which candidates **must** receive at least a majority of the vote to be elected is where the city, by ordinance, requires election by majority vote and provides for runoff elections in the event no candidate receives a majority at the general election (see the section on runoff elections for more information).*

50-413. TIE VOTES.

In case of a tie vote between candidates, the city clerk shall give notice to the interested candidates to appear before the council at a meeting to be called within six (6) days at which time the city clerk shall determine the tie by a toss of a coin.

50-414. FAILURE TO QUALIFY CREATES VACANCY.

If a person elected fails to qualify, a vacancy shall be declared to exist, which vacancy shall be filled by the mayor and the council.

50-415. CERTIFICATES OF ELECTIONS.

A certificate of election for each elected city official or appointee to fill such position shall be made under the corporate seal by the city clerk, signed by the mayor and clerk, and presented to such officials at the time of subscribing to the oath of office.

An example Certificate of Election is included in Appendix I. For more information see the section of this manual on installing recently elected officials.

50-416. APPLICATION FOR RECOUNT OF BALLOTS.

Any candidate desiring a recount of the ballots cast in any general city election may apply to the attorney general therefor, within twenty (20) days of the canvass of such election by the county board of canvassers. The provisions of chapter 23, title 34, Idaho Code, shall govern recounts of elections held under this chapter.

See the section on recount of ballots in this manual for more information.

50-417. RECALL ELECTIONS.

Recall elections shall be governed by the provisions of chapter 17, title 34, Idaho Code, except as those provisions may be specifically modified by the provisions of this chapter.

See the section on recall elections in this manual for more information.

50-418. INITIATIVE AND REFERENDUM ELECTIONS.

Initiative and referendum elections shall be governed by the provisions of chapter 18, title 34, Idaho Code, and chapter 5, title 50, Idaho Code, except as those provisions are specifically modified by this chapter.

See the section on initiative and referendum elections in this manual for more information.

50-419. ELECTION LAW VIOLATIONS.

The provisions of chapter 23, title 18, Idaho Code, pertaining to crimes and punishments for election law violations are applicable to all municipal elections.

50-420. APPLICATION OF CAMPAIGN REPORTING LAW TO ELECTIONS IN CERTAIN CITIES.

The provisions of sections 67-6601 through 67-6616 and 67-6623 through 67-6630, Idaho Code, are hereby made applicable to all elections for mayor, councilman and citywide measures, including citywide recalls, in cities of five thousand (5,000) or more population, except that the city clerk shall stand in place of the secretary of state, and the city attorney shall stand in place of the attorney general.

Cities required to comply with the Idaho campaign finance reporting law include: Ammon, Blackfoot, Boise, Burley, Caldwell, Chubbuck, Coeur d'Alene, Eagle, Emmett, Fruitland, Garden City, Hailey, Hayden, Idaho Falls, Jerome, Kuna, Lewiston, Meridian, Middleton, Moscow, Mountain Home, Nampa, Payette, Pocatello, Post Falls, Preston, Rathdrum, Rexburg, Rupert, Sandpoint, Star, Twin Falls, and Weiser.

Write-In Candidates

50-410. TIME AND MANNER OF FILING DECLARATIONS (EXCERPT).

... Write-in candidates shall be governed by section 34-702A, Idaho Code, but shall file the declarations required in that section with the city clerk.

34-702A. DECLARATION OF INTENT FOR WRITE-IN CANDIDATES (EXCERPT).

No write-in vote for any office in a primary, special, or general election shall be counted unless a declaration of intent has been filed indicating that the person desires the office and is legally qualified to assume the duties of said office if elected. The declaration of intent shall be filed with the secretary of state if for a federal, state, or legislative district office and with the county clerk if for a county office. Such declaration of intent shall be filed not later than twenty-eight (28) days before the day of election. The secretary of state shall prescribe the form for said declaration...

See Appendix F for the Declaration of Intent for write-in candidates.

Candidates are required to certify on their Declaration of Intent that they are qualified to hold the office of mayor or councilmember, meaning they meet the following qualifications as of the date their Declaration of Intent is submitted to the city clerk:

At least 18 years of age,

A U.S. citizen,

The candidate's primary residence must be within the city,

The address of the candidate's voter registration must match the residence address provided on the candidate's Declaration of Intent, and

The candidate must have resided in the city for at least 30 days prior to submitting their Declaration of Intent.

Write-in votes are only counted when cast for persons who have filed a Declaration of Intent with the city clerk at least 28 days prior to the election. The deadline for filing the Declaration of Intent is Tuesday, October 10, 2017.

*Write-in candidates are only required to file the Declaration of Intent with the city clerk—they are **NOT** required to submit a petition or \$40 fee.*

Installing Recently Elected Officials

50-702. QUALIFICATION OF COUNCILMEN – TERMS – INSTALLATION [EXCERPT].

... Each councilman elected at a general city election, except as otherwise specifically provided, shall hold office for a term of four (4) years, and until his successor is elected and qualified. Councilmen elected at each general city election shall be installed at the first meeting in January following election. The manner of conducting that meeting shall be as herein set forth and not otherwise: the incumbents shall meet and conduct such business as may be necessary to conclude the fiscal matters of the preceding year; the newly elected shall then subscribe to the oath of office, be presented certificates of election, assume the duties of their position, and conduct such business as may be necessary, one (1) item of which shall be the election of a member as president of the council.

50-601. QUALIFICATIONS [OF MAYOR] [EXCERPT].

... He shall take office at the time and in the manner provided for installation of councilmen.

50-415. CERTIFICATES OF ELECTIONS.

A certificate of election for each elected city official or appointee to fill such position shall be made under the corporate seal by the city clerk, signed by the mayor and clerk, and presented to such officials at the time of subscribing to the oath of office.

Mayors and councilmembers elected at the 2017 general city election are installed at the first council meeting in January 2018. After the election, AIC will send each city a packet of materials including instructions for installing elected officials.

The following procedure for installing elected officials at the first meeting in January is taken from Idaho Code 50-702, 50-601, and 50-415. The authority to administer oaths is found in Idaho Code 50-607 and 50-207.

1. Incumbents Convene Meeting, Approve Minutes & Approve Payment of Bills.

The incumbent mayor and councilmembers convene the meeting, approve the minutes from any previous meetings and approve payment of the bills.

2. Swearing-In.

Each recently elected official stands, raises his/her right hand, listens as the oath of office is read by the city clerk, and at the end of the oath responds "I do" or "I will." The elected official may choose to recite the oath as it is read. Each recently elected official must sign the oath of office, which is countersigned by the city clerk and kept by the city as an official record. The

oath of office form is included in Appendix H.

Typically the oath of office is administered by the city clerk. The mayor may administer the oath of office to councilmembers—however, a newly elected mayor does not have authority to administer oaths until after he/she has taken the oath from the clerk.

3. Presentation of Certificates of Election.

The sworn-in officials each receive a Certificate of Election signed by the mayor and countersigned by the city clerk. The mayor in office at the time of the election signs the certificates, including his/her own. A model Certificate of Election is included in Appendix I.

4. Council Selects its President.

The sworn-in officials take their seats and the council proceeds to elect one of its members to serve as council president. The council may then proceed with other necessary business.

5. Filling Vacancies.

If any mayoral or council vacancies exist, these may be filled by the normal process of appointment.

A mayoral vacancy is filled by motion of the council, approved by a majority of councilmembers present and voting. The appointee serves until the next general city election—November 2019—at which point the office is up for election to a four-year term.

For council vacancies, the position is filled by mayoral appointment and must be confirmed by a majority of councilmembers present and voting. The person serves until the next general city election—November 2019—at which point the office is up for election as follows:

If the normal four-year term of office expires at the end of 2019, the position is up for election to a four-year term at the November 2019 general city election;

OR

If the normal four-year term of office expires at the end of 2021, the position is up for election for the remaining two years of the term at the November 2019 general city election. The position is then up for election to a four-year term in 2021.

Persons appointed to fill vacancies are sworn-in by the city clerk, sign the oath of office and each receive a Certificate of Appointment (see Appendix J for a model).

Swearing-In Officials Unable to Attend First Meeting in January.

Officials unable to attend the first council meeting in January can take the oath of office at a following meeting.

Council Seats & Districts

50-707. ASSIGNMENT OF COUNCIL SEATS.

Any city, by ordinance, may assign a number to each council seat. Upon the adoption of such an ordinance, and at least one hundred twenty (120) days prior to the next general election, the city clerk shall assign a number for each council seat. Any candidate seeking election to the council shall file for one (1) of the assigned council seats.

Designated council seats must be established by ordinance. A new ordinance does not have to be passed every election—once the ordinance is passed it remains in effect until repealed.

Cities wishing to establish numbered council seats in time for the 2017 general city election must have the ordinance passed and published on or before Monday, July 10, 2017.

There are currently almost 30 cities with designated council seats, including: Ammon, Arimo, Athol, Atomic City, Blackfoot, Boise, Bovill, Caldwell, Chubbuck, Coeur d'Alene, Greenleaf, Hailey, Hayden, Hayden Lake, Idaho Falls, Island Park, Kellogg, Kootenai, Meridian, Nampa, Pocatello, Post Falls, Potlatch, Rathdrum, Shelley, Star, Twin Falls, Wallace, and Wendell.

50-707A. ELECTION OF COUNCILMEN BY DISTRICTS.

(1) Any city may, by ordinance, provide for districts and the election of councilmen by districts. Upon the adoption of such an ordinance and at least one hundred twenty (120) days prior to each general election, the governing body of the city shall establish the territory of council districts in accordance with this section.

(2) Each district shall consist of one or more contiguous election precincts and each district shall, to the nearest extent possible, contain the same number of people based upon the most recent federal census.

(3) Each city providing for the election of councilmen by districts shall establish the number of districts corresponding to the number of council seats determined by the city pursuant to section 50-701, Idaho Code, or for any city having a governing body governed by the provisions of sections 50-801 through 50-812, Idaho Code, the number of council seats determined by the city pursuant to section 50-805, Idaho Code.

(4) Upon adoption of such an ordinance, a council shall determine, not less than ninety (90) days before the next general city election, if council members are to be elected by electors from the entire city, or by the electors of the said geographic district. The council shall also determine, not less than ninety (90) days before the next general election, the method of the implementation of this ordinance.

Council districts must be established by ordinance at least 120 days prior to the election. Cities wishing to establish council districts in time for the 2017 general city election must have the ordinance passed and published on or before Monday, July 10, 2017.

There are currently no cities that elect councilmembers by district.

Runoff Elections

50-612. MAJORITY REQUIRED FOR ELECTION -- RUNOFF ELECTION.

A city may, by ordinance, provide that a majority of the votes for any candidate running for the office of mayor shall be required for election to that office. In the event no candidate receives a majority of the votes cast, there shall be a runoff election between the two (2) candidates receiving the highest number of votes cast. Such runoff election shall be conducted by the county clerk as in the general election in a manner consistent with chapter 14, title 34, Idaho Code, and at such time, within thirty (30) days of the general election, as prescribed by the city and shall be exempt from the limitation upon elections provided in sections 34-106 and 50-405, Idaho Code. The ballot shall be prepared by the county clerk not less than twenty-two (22) days preceding the runoff election. The designation of polling places shall be made by the county commissioners not less than twenty (20) days preceding any runoff election and sample ballots shall be printed not less than eighteen (18) days preceding the runoff election.

50-707B. MAJORITY MAY BE REQUIRED FOR ELECTION -- RUNOFF ELECTION.

A city may, by ordinance, provide that a majority of the votes for any candidate running for a council seat adopted by a city in accordance with section 50-707 or 50-707A, Idaho Code, shall be required for election to that office. In the event no candidate receives a majority of the votes cast, there shall be a runoff election between the two (2) candidates receiving the highest number of votes cast. Such runoff election shall be conducted by the county clerk as in the general election in a manner consistent with chapter 14, title 34, Idaho Code, and at such time within thirty (30) days of the general election, as prescribed by the city and shall be exempt from the limitation upon elections provided in sections 34-106 and 50-405, Idaho Code. The ballot shall be prepared by the county clerk not less than twenty-two (22) days preceding the runoff election. The designation of polling places shall be made by the county commissioners not less than twenty (20) days preceding any runoff election, and sample ballots shall be printed not less than eighteen (18) days preceding the runoff election.

Runoff elections must be established by ordinance. A new ordinance does not have to be passed every election—once the ordinance is passed it remains in effect until repealed.

The law recognizes the abbreviated timeframe inherent in runoff elections by providing special deadlines for ballot preparation, designation of polling places and printing of sample ballots (other deadlines remain the same).

One of the important considerations involved in runoff elections is cost: under the consolidated elections system, cities are responsible for reimbursing the county for the full cost of conducting the runoff election. Since cities have the ability to choose whether to have runoffs, this is an issue that should be seriously considered. The county will be responsible for administering the runoff election, just as with all other types of elections.

Currently, eight cities have mayoral runoffs: American Falls, Blackfoot, Boise, Eagle, Idaho Falls, Mountain Home, Pocatello, and Spirit Lake. Only Idaho Falls has runoffs for designated council seats.

It is important to note that runoff elections only involve the two candidates receiving the highest number of votes cast for the office during the general election. It is impermissible for other candidates to run as write-ins during a runoff election.

Qualifications, Terms of Office, Manner of Filling Vacancies & Salary for Councilmembers & Mayors

50-601. QUALIFICATIONS [AND TERM OF OFFICE OF MAYOR].

Any person shall be eligible to hold the office of mayor who is a qualified elector of the city at the time his declaration of candidacy or declaration of intent is submitted to the city clerk and remains a qualified elector during his term of office.

The term of office of mayor shall be for a period of four (4) years except as otherwise specifically provided. He shall take office at the time and in the manner provided for installation of councilmen.

Candidates are required to certify on their Declaration of Candidacy or Declaration of Intent that they are qualified to hold the office of mayor, meaning they meet the following qualifications as of the date their declaration is submitted to the city clerk:

At least 18 years of age,

A U.S. citizen,

The candidate's primary residence must be within the city,

The address of the candidate's voter registration must match the residence address provided on the candidate's declaration, and

The candidate must have resided in the city for at least 30 days prior to submitting their declaration.

50-608. VACANCY IN OFFICE OF MAYOR.

In case of a temporary vacancy in the office of mayor due to absence or disability, the president of the council shall exercise the office of mayor during such disability or temporary absence, and until the mayor shall return. When a vacancy occurs in the office of mayor by reason of death, resignation or permanent disability, the city council shall fill the vacancy from within or without the council as may be deemed in the best interests of the city, which appointee shall serve until the next general city election, at which election a mayor shall be elected for the full four (4) year term.

50-701. [COUNCIL] COMPOSITION -- POWERS.

The legislative authority of each city in the state of Idaho, except those operating under the provisions of section[s] 50-801 through 50-812 shall be vested in a council consisting of either four (4) or six (6) members, one half (1/2) of whom shall be elected at each general city election. Councils shall have such powers and duties as are now or may hereafter be provided under the general laws of the state of Idaho.

50-702. QUALIFICATION OF COUNCILMEN -- TERMS -- INSTALLATION.

Any person shall be eligible to hold the office of councilman of his city who is a qualified elector at the time his declaration of candidacy or declaration of intent is submitted to the city clerk, and remains a qualified elector under the constitution and laws of the state of Idaho. Each councilman elected at a general city election, except as otherwise specifically provided, shall hold office for a term of four (4) years, and until his successor is elected and qualified. Councilmen elected at each general city election shall be installed at the first meeting in January following election. The manner of conducting that meeting shall be as herein set forth and not otherwise: the incumbents shall meet and conduct such business as may be necessary to conclude the fiscal matters of the preceding year; the newly elected shall then subscribe to the oath of office, be presented certificates of election, assume the duties of their position, and conduct such business as may be necessary, one (1) item of which shall be the election of a member as president of the council.

Candidates are required to certify on their Declaration of Candidacy or Declaration of Intent that they are qualified to hold the office of councilmember, meaning they meet the following qualifications as of the date their declaration is submitted to the city clerk:

At least 18 years of age,

A U.S. citizen,

The candidate's primary residence must be within the city,

The address of the candidate's voter registration must match the residence address provided on the candidate's declaration, and

The candidate must have resided in the city for at least 30 days prior to submitting their declaration.

50-704. [COUNCIL] VACANCIES -- APPOINTMENT.

A vacancy on the council shall be filled by appointment made by the mayor with the consent of the council, which appointee shall serve only until the next general city election, at which such vacancy shall be filled for the balance of the original term.

50-203. OFFICIALS -- COMPENSATION.

The officials of each city shall consist of a mayor and either four (4) or six (6) councilmen whose compensation shall be fixed by ordinance published at least seventy-five (75) days before any general city election, which ordinance shall be effective for all said officials commencing on January 1 following said election and continuing until changed pursuant to this section.

The deadline for passage and publication of a salary ordinance is Thursday, August 24, 2017.

An ordinance passed and published by the August 24 deadline takes effect January 1, 2018.

A model compensation ordinance is provided in Appendix C.

Election Consolidation

34-1401. ELECTION ADMINISTRATION.

Notwithstanding any provision to the contrary, the county clerk shall administer all elections on behalf of any political subdivision, subject to the provisions of this chapter, including all special district elections and elections of special questions submitted to the electors as provided in this chapter. Water districts governed by chapter 6, title 42, Idaho Code, recreational water and/or sewer districts as defined in section 42-3202A, Idaho Code, ground water recharge districts governed by chapter 42, title 42, Idaho Code, ground water management districts governed by chapter 51, title 42, Idaho Code, ground water districts governed by chapter 52, title 42, Idaho Code, and irrigation districts governed by title 43, Idaho Code, are exempt from the provisions of this chapter. Municipal elections shall be conducted under the provisions of this chapter except for the specific provisions of chapter 4, title 50, Idaho Code. All school district and highway district elections shall be conducted pursuant to the provisions of this chapter 14, title 34, Idaho Code. All highway district and school district elections shall be administered by the clerk of the county wherein the district lies. Elections in a joint school district or other political subdivisions that extend beyond the boundaries of a single county shall be conducted jointly by the clerks of the respective counties, and the clerk of the home county shall exercise such powers as are necessary to coordinate the election. "Home county" shall be defined as the county in which the business office for the district or political subdivision is located. For the purposes of achieving uniformity, the secretary of state shall, from time to time, provide directives and instructions to the various county clerks. Unless a specific exception is provided in this chapter, the provisions of this chapter shall govern in all questions regarding the conduct of elections on behalf of all political subdivisions. In all matters not specifically covered by this chapter, other provisions of title 34, Idaho Code, governing elections shall prevail over any special provision which conflicts therewith.

The county clerk shall conduct the elections for political subdivisions and shall perform all necessary duties of the election official of a political subdivision including, but not limited to, notice of the filing deadline, notice of the election, and preparation of the election calendar.

This section provides authority for the county clerk to administer elections on behalf of local governments.

This section also provides that the provisions of Title 50, Chapter 4 relating to city elections supersede the provisions of Title 34, Chapter 14.

The section also provides that for jurisdictions located in multiple counties, the county clerk of the “home county” (i.e. the county in which the city hall or administrative office building is located) takes the lead in coordinating the election for the jurisdiction.

Withdrawal of Candidacy

34-1405A. WITHDRAWAL OF CANDIDACY.

A candidate for nomination or candidate for election to an office may withdraw from the election by filing a notarized statement of withdrawal with the officer with whom his declaration of candidacy was filed. The statement must contain all information necessary to identify the candidate and the office sought and the reason for withdrawal. A candidate may not withdraw later than forty-five (45) days before an election.

Model withdrawal forms for nominated and write-in candidates are included in Appendix G.

The deadline for nominated candidates (those who would be listed on the ballot) to withdraw is Monday, September 25, 2017. Write-in candidates may withdraw at any time prior to Election Day.

The withdrawal form must be notarized by a Notary Public duly authorized by the State of Idaho.

Notice of Election

34-1406. NOTICE OF ELECTION.

The county clerk shall give notice for each political subdivision for any election by publishing such notice in the official newspaper of the county. The notice shall state the date of the election, the polling places, and the hours during which the polls shall be open for the purpose of voting. The first publication shall be made not less than twelve (12) days prior to the election, and the last publication of notice shall be made not less than five (5) days prior to the election. For each primary, general and special election, the county clerk shall cause to be published a facsimile, except as to size, of the sample ballot in at least two (2) newspapers published within the county, but if this is not possible, the sample ballot shall be published in one (1) newspaper published within the county or one (1) newspaper that has general circulation within the county. Such publication shall be in conjunction with the second notice of election required by this section. The political subdivision shall notify the county clerk in writing of the official newspaper of the political subdivision.

This section requires the city clerk to notify the county clerk in writing of the city's official newspaper to assist in publication of the notice of election.

Hours of Polling Places

34-1409. CONDUCT OF ELECTION ON ELECTION DAY.

At all elections conducted by any political subdivision, the polls shall be opened at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the election official may, at his option, open the polls in his jurisdiction at 7:00 a.m.

All political subdivisions conducting elections on the same date shall, whenever practicable, use the same polling places.

This section provides that the polling hours for elections are 8:00 a.m. to 8:00 p.m., but that the county clerk may, at his/her discretion, open the polls at 7:00 a.m.

City poll hours ordinances are no longer necessary since the hours of elections are set by Idaho Code 34-1409, so cities may repeal their poll hours ordinances.

Payment of Election Expenses

34-1411. PAYMENT OF ELECTION EXPENSES BY COUNTY.

(1) On and after January 1, 2011, no county shall charge any taxing district, as defined in section 63-201, Idaho Code, for expenses associated with conducting any election on behalf of any taxing district, with the exception of expenses associated with conducting municipal runoff elections, which shall be paid by the city adopting runoff elections pursuant to the provisions of section 50-612 or 50-707B, Idaho Code. Expenses associated with conducting taxing district elections shall include:

- (a) Costs of ballot preparation, distribution, printing and counting, including absentee ballots.
- (b) Costs of printing poll books and costs of tally books, stamps, signs and any other voting supplies, publications and equipment.
- (c) Wages or other compensation for election judges and clerks or any county employees or officials performing duties associated with conducting taxing district elections.
- (d) Costs paid for renting polling facilities.
- (e) Acquisition, repair, maintenance or any other costs associated with voting machines or vote tally systems as defined in subsections (9) and (10) of section 34-2401, Idaho Code.
- (f) Costs of publishing and printing election notices and ballots.

(2) Counties shall not be responsible for any election expenses prior to the time any taxing district orders an election, such as notice and costs for public hearings and notice and costs for public hearings on ballot measures.

(3) Notwithstanding the provisions of subsection (1) of this section, all ballot questions shall be limited to two hundred fifty (250) words or less. If a ballot question is in excess of two hundred fifty (250) words, the entity proposing a ballot question that is not a state constitutional amendment shall be required to pay the ballot printing costs associated with the ballot question.

This section makes clear the fact that counties are prohibited from charging cities for any costs associated with city elections, with the following exceptions:

Where a city has adopted mayoral and/or council runoffs by ordinance and a runoff election is required;

Where a city has a ballot question in excess of 250 words; or

The Idaho state historical society shall have thirty (30) days after receipt of the notice to review the list and respond in writing, either by electronic or physical delivery, to the city clerk identifying any documents that will be requested to be transferred from the city to the historical society for retention in the permanent records repository. Retention of election records is another aspect of the election process that is partly the responsibility of the city clerk and partly the responsibility of the county clerk.

Since the city clerk remains responsible for receiving filing forms from candidates, the Declaration of Candidacy, Petition of Candidacy and Declaration of Intent will be subject to the provisions of 50-907(1)(g) and are permanent records that cannot be destroyed. Likewise, since the city clerk is responsible for overseeing campaign finance reporting, these reports are subject to the provisions of 50-907(1)(g) and are also permanent records.

Any records prepared by the county during the course of the election will be retained by the county after the election and are subject to the retention periods set forth in Idaho Code 34-217. Some of these records include: poll books, tally books, sample ballots, voted ballots, unvoted ballots, notices of election, maps of precinct boundaries, lists of absentee voters, completed absentee request forms, and absentee ballot affidavit envelopes.

After this examination, the county clerk shall immediately cancel the registration of any elector who did not vote at any election in the past four (4) years.

This section shall be construed as to provide for a uniform four (4) year registration period for all electors.

Those who have not voted at any election for the past four years have their voter registration canceled. For this reason, it is imperative that city clerks confirm that candidates are registered, even those who are currently serving in office.

34-436. RETENTION OF CORRESPONDENCE RELATING TO CANCELLATION OF VOTER'S REGISTRATION.

All correspondence relating to the cancellation of an elector's registration shall be preserved by the county clerk for a period of two (2) years following the time of any general election.

34-437. FURNISHING LISTS OF REGISTERED ELECTORS -- RESTRICTIONS.

(1) Each of the county clerks, upon receiving a request shall supply to any individual, a current list of the registered electors of the county and their addresses, arranged in groups according to election precincts. The county clerks shall prepare an original of the above list from the state voter registration system at county expense. Any person desiring a copy of the original list shall be furnished the same, and the county clerk shall assess the individual an amount which will compensate the county for the cost of reproducing such copy.

(2) No person to whom a list of registered electors is made available or supplied under subsection (1) of this section and no person who acquires a list of registered electors prepared from such list shall use any information contained therein for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. Provided however, that any such list and label may be used for any political purpose.

County clerks are obligated to provide lists of registered electors from the statewide voter registration database upon request.

For more information on the database, see the commentary below the following section. The law prohibits the use of such lists for commercial purposes, but expressly permits use of such lists for campaign mailings and other political activities.

34-437A. STATEWIDE LIST OF REGISTERED ELECTORS.

(1) The secretary of state, in conjunction with county clerks, shall develop and implement a single, uniform official, centralized, interactive, computerized statewide voter registration system as required by the help America vote act of 2002 (P.L. 107-252).

(2) The statewide system shall contain the name and registration information of every legally registered voter in the state and assign a unique identifier to each legally registered voter in the state, and include the following:

(a) The computerized list shall serve as the single system for storing and managing the official list of registered voters throughout the state.

(b) The computerized list shall contain the name and registration information of every legally registered voter in the state.

(c) Under the computerized list, a unique identifier shall be assigned to each legally registered voter in the state.

(d) The computerized list shall be coordinated with other agency databases within the state.

(e) Any election official in the state, including any local election official, may obtain immediate electronic access to the information contained in the computerized list.

(f) All voter registration information obtained by any local election official in the state shall be electronically entered into the computerized list on an expedited basis at the time the information is provided to the local official.

(g) The secretary of state shall provide such support as may be required so that local election officials are able to enter information as described in subsection (2) (f) of this section.

(h) The computerized list shall serve as the official voter registration list for the conduct of all elections for federal office in the state.

(3) Any person desiring a copy of the statewide list of registered electors shall be furnished the same, and the secretary of state shall assess the individual an amount which will compensate the state for the cost of reproducing such copy.

No person to whom a list of statewide electors is furnished and no person who acquires a list of statewide electors prepared from such list shall use any information contained therein for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. Provided however, that any such list and label may be used for any political purpose.

A major change implemented by the Help America Vote Act is the requirement for a single, uniform, official, centralized, interactive, computerized statewide voter registration database.

The database must:

Include each registered person in the state and each person must be assigned a unique identifier;

Be the single system in the state for storing and managing the list of registered voters;

Be coordinated with other state agencies and state databases;

Be immediately accessible by state and local election officials; and

Serve as the official voter registration list for federal elections.

Each of the county clerks, upon receiving a request therefor, not later than the thirtieth day prior to a school election, shall, not later than the seventh day prior to the election, supply to a requesting school board a list of registered electors, that are within the school district within which a school district election is to be held. The county clerk may assess the school board an amount which will compensate the county for the cost of preparing such a list.

Initiative & Referendum Elections

Idaho law on city initiative and referendum elections has changed substantially as a result of the passage of House Bill 216 by the 2015 Idaho Legislature. The legislation repealed Idaho Code 50-501, which required each city to have an ordinance setting forth procedures for initiative/referendum. Now, cities will follow the procedures in the state initiative/referendum law—Idaho Code Title 34, Chapter 18—with some specific changes set forth in Idaho Code 34-1801B. City initiative/referendum ordinances are void as of July 1, 2015, so cities are free to repeal these ordinances since they will be superseded by state law.

The text of Idaho Code Title 34, Chapter 18 provided below is specifically conformed to the requirements for city elections: references to the Secretary of State have been changed to the City Clerk, references to the Attorney General have been changed to the city attorney, and references to the Idaho Legislature have been changed to the City Council.

34-106. LIMITATION UPON ELECTIONS (EXCERPT).

(9) Any person who circulates a petition for city initiative or referendum shall be a resident of the state of Idaho and at least eighteen (18) years of age, and pursuant to section 34-1807, Idaho Code, shall certify their belief that each signer of the petition is a qualified elector of the state of Idaho and the city.

(10) A copy of all petitions and signature sheets shall be kept by the city clerk as a public record.

(14) The county clerk has sixty (60) calendar days to verify the signatures as provided in subsection (3) of section 34-1802, Idaho Code.

(15) The city council shall have the option to adopt the ordinance proposed by initiative within thirty (30) days after the notification pursuant to section 34-1807, Idaho Code, provided that the petition has the required number of signatures. The city council shall hold a public hearing on the proposed ordinance within the thirty (30) day period, preceded by legal notice published once in the official city newspaper at least seven (7) days preceding the hearing. If the

ordinance is not adopted by the council by the end of the thirty (30) day period, the initiative shall be put on the ballot.

34-1801. STATEMENT OF LEGISLATIVE INTENT AND LEGISLATIVE PURPOSE.

The legislature of the state of Idaho finds that there have been incidents of fraudulent and misleading practices in soliciting and obtaining signatures on initiative or referendum petitions, or both, that false signatures have been placed upon initiative or referendum petitions, or both, that difficulties have arisen in determining the identity of petition circulators and that substantial danger exists that such unlawful practices will or may continue in the future. In order to prevent and deter such behavior, the legislature determines that it is necessary to provide easy identity to the public of those persons who solicit or obtain signatures on initiative or referendum petitions, or both, and of those persons for whom they are soliciting and obtaining signatures and to inform the public concerning the solicitation and obtaining of such signatures. It is the purpose of the legislature in enacting this act to fulfill the foregoing statement of intent and remedy the foregoing practices.

(b) The recommendations of the city attorney shall be advisory only and the petitioner may accept or reject them in whole or in part.

(c) The city attorney shall issue a certificate of review to the city clerk certifying that he has reviewed the measure for form and style and that the recommendations thereon, if any, have been communicated to the petitioner, and such certificate shall be issued whether or not the petitioner accepts such recommendations. The certificate of review shall be available for public inspection in the office of the city clerk.

(2) Within fifteen (15) working days after the issuance of the certificate of review, the petitioner, if he desires to proceed with his sponsorship, shall file the measure, as herein provided, with the city clerk for assignment of a ballot title and the city clerk shall thereupon submit to the city attorney two (2) copies of the measure

(3) Any person dissatisfied with the ballot title or the short title provided by the city attorney for any measure, may appeal from his decision to the supreme court by petition, praying for a different title and setting forth the reason why the title prepared by the city attorney is insufficient or unfair.

(a) No appeal shall be allowed from the decision of the city attorney on a ballot title unless made within twenty (20) days after the ballot title is filed in the office of the city clerk; provided however, that this section shall not prevent any later judicial proceeding to determine the sufficiency of such title, nor shall it prevent any judicial decision upon the sufficiency of such title.

(b) A copy of every such ballot title shall be served by the city clerk upon the person offering or filing such initiative or

referendum petition, or appeal. The service of the ballot title may be by mail, telegraph or facsimile and shall be made forthwith when it is received from the city attorney by the city clerk.

Upon receiving the application for recount together with the remittance required by section 34-2302, Idaho Code, the attorney general or county clerk, pursuant to section 34-2301, Idaho Code, shall cause all ballot boxes used in such election in the precinct or precincts in which recount is to be made to be immediately impounded and taken into custody by the sheriff of the county or counties in which precinct or precincts are located. 34-2306. DIFFERENCE REVEALED BY RECOUNT -- CANDIDATE RELIEVED OF COSTS.

then the candidate claiming the misinterpretation or the misapplication of law may appeal to the district court in the county concerned if the office is a county, municipal or district office or to the district court in Ada county if the office is a federal or state office.

34-2309. FREE RECOUNT.

A losing candidate for nomination, or election or person supporting or opposing a ballot measure, may request a recount of the votes cast for the nomination or election to that office or passage or failure of a measure if the difference between the vote cast for that candidate and for the winning candidate for nomination or election, or the difference between the yes and no votes on a measure, is less than or equal to one-tenth of one percent (0.1%) of the total votes cast for that office or five (5) votes, whichever is greater. All requests shall be in writing, and filed with the appropriate officer during the time mentioned in section 34-2301, Idaho Code.

23-920. SUBSEQUENT ELECTIONS.

A similar election may be subsequently called and held upon the issue of whether the sale of liquor by the drink shall be prohibited or, if prohibited, then an election to determine whether the sale of liquor by the drink shall be licensed. Such subsequent election shall be held upon the filing of a petition, as provided in section 23-917, signed by the requisite percentage of qualified electors. No such subsequent election shall be held prior to November 1, 1949, or oftener than two (2) years after the holding of any such subsequent election.

Frequently Asked Questions

1. Are term limits in effect for the 2017 general city elections?

No. Idaho's term limits statute was repealed by the 2002 Idaho Legislature. There are no restrictions on the number of terms city mayors and councilmembers may serve.

2. Who keeps the election ballots and documents: the city or the county? How long must these records be retained?

Responsibility for retention of election records is split between cities and counties.

Since the city clerk is responsible for receiving filing forms from candidates, the Declaration of Candidacy, Petition of Candidacy and Declaration of Intent will be retained by the city and pursuant to the provisions of Idaho Code 50-907(1)(g) these are classified as permanent records. Likewise, since the city clerk is responsible for overseeing campaign finance reporting in cities over 5,000 population, these reports will also be retained by the city and pursuant to Idaho Code 50-907(1)(g) these are classified as permanent records. Permanent records must either be retained by the city in perpetuity or be transferred to the State Archives upon resolution of the city council.

Any records prepared by the county during the election will be retained by the county after the election and are subject to the retention periods set forth in Idaho Code 34-217. Some of these records include: poll books, tally books, voted ballots, unvoted ballots, notices of election, maps of precinct boundaries, lists of absentee voters, completed absentee request forms, and absentee ballot affidavit envelopes.

3. If a person gets married and moves outside of city limits, but still has rental property in the city, can that person vote in city elections?

No. If a qualified elector moves outside the city with the intention of making the new residence their permanent home, then they are no longer a city resident and cannot vote in city elections—Idaho Code 50-402(d)(4).

4. Does a person have to be a United States citizen to vote in city elections?

Yes. Every elector who registers is required to swear under oath or affirmation that he/she is a citizen of the United States—Idaho Code 34-411(1)(d).

5. Does a convicted felon have the right to vote?

In the case of felons, if the person has completed the terms of sentence including probation or parole, he/she may register and vote—Idaho Code 18-310.

6. A candidate signed her name as Mildred C. Fisher on the Declaration of Candidacy, but is known as Catherine Fisher. How will her name appear on the ballot?

The name on the ballot must appear exactly as the name is written on the candidate's Declaration of Candidacy. The city clerk should advise candidates that how their name is written on the declaration is how their name will appear on the ballot.

7. Can a candidate sign his or her own Petition of Candidacy?

Yes. There is nothing in the law that prohibits a candidate from signing their own Petition of Candidacy.

8. May a registered city voter sign petitions for two candidates running for mayor?

Yes. The law no longer requires a person to sign only one candidate's petition for each office up for election. Now, a registered city voter is free to sign as many petitions as they want.

9. How does a candidate get their name on the ballot?

To get their name on the ballot, a candidate must submit a Declaration of Candidacy (see Appendix D for a model form) specifying the office for which they are running and affirming they meet the following legal qualifications to run as of the date their Declaration of Candidacy is submitted to the city clerk:

- At least 18 years of age,
- A U.S. citizen,
- The candidate's primary residence must be within the city,
- The address of the candidate's voter registration must match the residence address provided on the candidate's declaration, and
- The candidate must have resided in the city for at least 30 days prior to submitting their declaration.

The Declaration of Candidacy must be accompanied by **one** of the following:

- A Petition of Candidacy (see Appendix E for a model form) signed by at least five qualified city electors. The petition must have an attached certification from the county clerk indicating the number of signatures that are of qualified city electors,

OR

- A nonrefundable filing fee of \$40—Idaho Code 50-406.

10. Must the city clerk notarize a candidate’s declaration and/or petition, or can the candidate have it notarized elsewhere?

Any notary duly authorized by the State of Idaho can notarize a candidate’s declaration and petition.

11. Are people required to show photo identification to vote?

To vote a person must either present photo identification or sign a Personal Identification Affidavit. Acceptable forms of photo identification include:

- An Idaho driver’s license or identification card issued by the Idaho Transportation Department,
- A U.S. passport or photo identification card issued by an agency of the federal government,
- A tribal photo identification card,
- A current student photo identification card, issued by an Idaho high school or college, and
- A license to carry concealed weapons or an enhanced concealed weapons license.

If a voter is not able to show photo identification, they may vote after signing a Personal Identification Affidavit verifying their name and address—Idaho Code 34-1113 & 34-1114.

12. Can candidates campaign on Election Day?

Candidates can campaign on Election Day—however, candidates should be aware that campaigning within or near a polling place on Election Day (known as “electioneering”) is a criminal offense. On Election Day, campaigning or distributing candidate materials within the polling place or in any building in which an election is being held are prohibited. Campaigning or distributing candidate materials are also prohibited within 100 feet of a polling place, whether on public or private property—Idaho Code 18-2318. *It is also important to remember that the prohibition on electioneering applies while voting is occurring at the in-person absentee polling place or early voting facility.*

13. What is required to change the compensation for elected officials?

Ordinances changing the compensation for elected officials must be passed by the council **and published** at least 75 days prior to any general city election (Thursday, August 24, 2017). The salary change takes effect January 1 following the election—Idaho Code 50-203.

14. Which council positions will be up for election to two-year terms?

Idaho Code 50-704 provides that councilmember vacancies “shall be filled by appointment made by the mayor with the consent of the council, which appointee shall serve only until the next general city election [held in November of each odd-numbered year], at which such vacancy shall be filled for the balance of the original term.”

An appointed councilmember serves until the next general city election in November of an odd-numbered year, at which point:

- If the normal four-year term of office concludes at the end of December of that year, the position is up for election to a four-year term.
- If the normal four-year term of office has two years remaining at the end of December of that year, the position is up for election to the remaining two years of the term. At the end of the two-year term, the position is up for election to a four-year term.

Two-year terms ensure that the city stays on cycle with half of the council positions up for election to four-year terms at the general city election in November of each odd-numbered year—Idaho Code 50-701.

In the November 7, 2017 general city election the only council positions up for election to two-year terms are those filled by appointment in 2016 or 2017, which have a four-year term of office expiring December 31, 2019.

For example, John Smith was appointed on May 5, 2017 to fill a vacant position on the city council that has a term of office expiring December 31, 2019. This position will be up for election on November 7, 2017 for a two-year term. Mr. Smith may choose to run for the two-year term, or may choose to run for another office, including a four-year council position or mayor. Regardless of who is elected, the position will be up for election again in November 2019 for a four-year term.

If Mr. Smith were appointed on May 5, 2017 to fill a vacancy on the city council with a term of office expiring December 31, 2017, the position would be up for election at the November 7, 2017 general city election for a four-year term.

15. Our mayor was appointed since the last election. Is the office up for election this year, and if so, is it for a two or four-year term?

Idaho Code 50-608 provides that “When a vacancy occurs in the office of mayor by reason of death, resignation or permanent disability, the city council shall fill the vacancy from within or without the council as may be deemed in the best interests of the city, which appointee shall serve until the next general city election, at which election a mayor shall be elected for the full four (4) year term.”

If a person was appointed mayor in 2016 or 2017, the office is up for election at the 2017 general city elections for a four-year term of office.

16. Can an application for absentee ballot be faxed or emailed?

Yes. The blank application for absentee ballot may be faxed or emailed from the city clerk or county clerk to the voter, and the completed, signed application may be faxed, or scanned and emailed from the voter to the county clerk—Idaho Code 34-1002(7).

17. Our city does not have enough candidates for the council positions up for election. What should we do?

If there are not enough nominated and declared write-in candidates for the council positions up for election, then the vacancies are filled by mayoral appointment and confirmation by a majority of the council. This can be done at the first council meeting in January, assuming there are enough councilmembers to constitute a quorum (a majority of the full council). If not, then the Governor will appoint as many councilmembers as required to constitute a quorum (Idaho Code 59-912) and the remaining vacancies are filled by the normal process of appointment and confirmation.

18. If a candidate misses the deadline for filing a Declaration of Candidacy, can he/she run as a write-in candidate?

Yes. The candidate must file a Declaration of Intent with the city clerk at least 28 days before the election—Idaho Code 50-410 & 34-702A.

19. Can a bar sell liquor by the drink on Election Day? Can liquor stores be open on Election Day?

Bars can sell liquor by the drink during city elections *unless the city has an ordinance prohibiting the sale of liquor by the drink during city elections*—Idaho Code 23-927.

State liquor stores and contract liquor stores are allowed to be open and sell package liquor on Election Day—Idaho Code 23-307.

20. Who canvasses the votes from a city election: the city council or the county commissioners?

The county commissioners will canvass the results of *all* city elections within 10 days after the election—Idaho Code 50-412. The only action required by the city after the election is a council motion to formally accept the canvassed election results, and the canvassed election results are then included in the meeting minutes (with the results by precinct, if the city has multiple precincts).

21. If there is only one candidate on the ballot for an office up for election and no declared write-in candidates, must an election still be held?

Yes. Some other jurisdictions operate under provisions of law that allow them to cancel elections under such circumstances. However, Idaho law does not have a similar provision for cities.

22. Are residents of the area of city impact allowed to vote in city elections?

No. To be a qualified elector and vote in a city election, the person's primary residence must be in the city—Idaho Code 50-402(c).

23. Are candidates required to specify the office for which they are running on their Declaration and Petition of Candidacy?

Yes. Candidates must specify whether they are running for mayor or council on both their Declaration and Petition of Candidacy. If the candidate is running for council in a city that does not have designated council seats, they must also specify on the Declaration of Candidacy whether they are running for a two or four-year council position. If the candidate is running for council in a city that has designated council seats, they must declare the specific seat and term for which they are running on their Declaration of Candidacy—Idaho Code 50-407.

24. May voters register at the absentee polling place or early voting facility?

Yes. Persons may register to vote at the absentee polling place or early voting facility—Idaho Code 34-408A & 34-1012(3).

25. Is the city clerk required to check the signatures on a Petition of Candidacy against the signatures on the voter registration cards?

No. Petition signatures must be verified by the county clerk *before the petition is submitted to the city clerk*. The county clerk will attach a certificate to the petition indicating the number of signatures that are of qualified city electors—Idaho Code 50-410.

26. What happens in the case of a tie vote?

The city clerk gives notice to the candidates, who must appear before the council at a meeting within six days after the notice is provided. The tie is resolved by the city clerk flipping a coin—Idaho Code 50-413.

27. How many dates are there for local elections each year? When can city bond, levy, initiative, referendum and advisory question elections be held? Are there any additional dates for recall elections?

Under the election consolidation law there are two election dates per year:

- The third Tuesday in May, and
- The Tuesday following the first Monday in November.

Schools have two extra dates for bond and levy elections in any year: the second Tuesday in March and the last Tuesday in August.

City elections on bonds, levies, and advisory questions may be held on the May or November dates *in any year*.

City elections on initiative and referendum must be held on the Tuesday following the first Monday in November in odd-numbered years.

The law provides two dates in addition to the May and November dates for recall elections: the second Tuesday in March and the last Tuesday in August—Idaho Code 34-106.

28. Is the city clerk responsible for publishing any legal notices associated with city elections?

The only legal notice the city clerk is required to publish is the notice to potential candidates (see Appendix B for a model form), which must be published once as a legal notice in the official city newspaper between Friday, August 25 and Friday, September 1, 2017. The notice must include: the name of the city, the date of the election, the offices up for election, that filing forms are available from the city clerk, and the filing deadline—Idaho Code 50-411. The notice of election and sample ballot are published by the county clerk.

29. What is the period for candidate filing?

For the 2017 general city election, candidates are required to submit their Declarations of Candidacy (with the requisite fee/petition) between Monday, August 28 at 8:00 a.m. and Friday, September 8 at 5:00 p.m.—Idaho Code 50-410.

30. What do I do with the Declarations of Candidacy and Declarations of Intent after they are filed by the candidates?

It is imperative to get these documents to the county clerk's office as soon as possible by fax or email. The city clerk should contact the county election staff in advance and ask for the preferred method of transmitting these documents. The city clerk should also call and confirm that the documents were received.

31. Is there a deadline for candidates to withdraw from the election?

Nominated candidates (those listed on the ballot) have until Monday, September 25 to withdraw from the election by filing a notarized statement of withdrawal with the city clerk (see Appendix G for a model form)—Idaho Code 34-1405A.

Declared write-in candidates may withdraw at any time up to the election by filing a notarized statement of withdrawal with the city clerk (see Appendix G for a model form).

32. What is the process for installing officials elected at the 2017 general city election?

Mayors and councilmembers elected at the 2017 general city election are sworn-in and seated at the first council meeting in January 2018. In preparation for this important event, AIC will send each city instructions for installation of officers and the necessary forms.

The following procedure for installing elected officials is taken from Idaho Code 50-702, 50-601, and 50-415. The power to administer oaths is taken from Idaho Code 50-607 and 50-207.

1. Incumbents Convene Meeting, Approve Minutes and Payment of Bills.

The incumbent mayor and councilmembers convene the meeting, approve the minutes of any prior meetings, and approve payment of the bills.

2. Officials Subscribe to the Oath of Office.

Each recently elected official stands, raises their right hand, listens as the oath of office is read by the city clerk, and at the end of the oath responds “I do” or “I will.” The elected official may choose to recite the oath as it is read. Each elected official must sign the oath of office, which is also signed by the city clerk and kept by the city as an official record.

Generally, the oath of office is administered by the city clerk. The mayor may administer the oath of office to councilmembers; however, a newly elected mayor does not have authority to administer oaths until after he/she has taken the oath from the clerk.

3. Presentation of Certificates of Election.

The sworn-in officials each receive a Certificate of Election signed by the mayor and the city clerk. The mayor who was in office at the time of the election signs the certificates, including their own.

4. Elect President of the Council.

The sworn-in officials take their seats and the council proceeds to elect one of its members to serve as council president. The council may then proceed with other necessary business.

5. Filling Vacancies.

If any mayoral or council vacancies exist, these may be filled by the normal process of appointment.

- ✓ A mayoral vacancy is filled by the council, by the vote of a majority of members present and voting. The appointee serves until the next general city election—November 2019—at which point the office is up for election to a four-year term.
- ✓ For vacancies in the office of councilmember, the position is filled by mayoral appointment and must be confirmed by a majority of councilmembers present and voting. The person serves until the next general city election—November 2019—at which point the office is up for election as follows.
 - If the normal four-year term of office expires at the end of 2019, the position is up for election to a four-year term.
 - If the normal four-year term of office expires at the end of 2021, the position is up for election for the remaining two years of the term at the 2019 general city election. The position is then up for election to a four-year term in 2021.

Persons appointed to fill vacancies are sworn-in by the city clerk, sign the oath of office and each receive a Certificate of Appointment.

33. What should we do if a person is unable to attend the first council meeting in January to be installed?

The person can be installed at the following council meeting.
